Education

We live in a caring community.

On this trip we will visit three places that provide support services for our residents. We'll start the day with a visit to Food For Lane County where we will learn about their programs while enjoying our morning coffee. A tour of the facility will follow. Then we head out to Lane Community College for an International Cuisine lunch in the Renaissance Room. This lunch will be served family style and **is included in the trip cost**. Culinary Arts students plan, prepare and serve the meal. We will have an opportunity to learn more about the program and visit with the students and chef before we leave. We end the day with a visit to the St. Vincent de Paul facility on Chad Drive where we will see a presentation about Bascom Village and learn about their other programs. After a brief tour of the building there will be time for a bit of browsing in their store.

Please Note: This trip involves a fair amount of walking, both indoors and outside (on LCC Campus). Please wear warm clothing, closed toe shoes and bring an umbrella.

We expect to return to Shopko around 5:00 pm.

Cost: Members \$61.00; Non-Members \$63.00
