## NOVEMBER POTLUCK

### One Woman's Journey Through the Inside Passage

In spring 2010, with her world scaled down to an 18-foot sea kayak and the 1,200-mile ribbon of water known as the Inside Passage, Susan Conrad launched a journey of the sea and soul that took her both north to Alaska and inward, as she discovered the depths of her own strength and courage. She will be sharing slides and stories of her adventures as she confronted fear, solitude, and exhaustion.
