

# Climbs Around the World

Morgan Watson grew up in Colorado and it was there that he began his love for climbing mountains. He is an avid outdoor adventurer and has traveled around the world to climb mountains and experience different cultures. As one of the owners of Crux Rock Gym in Eugene, he encourages others to reach their fitness goals in the gym and facilitates them to explore their adventuring spirit in their climbing gym. He will share his adventures and photos of some of his climbs and excursions around the world, including Peru, Kyrgyzstan and Nepal.
