A SPRING OBSIDIAN HIKE

JIM NORTHROP WHO LIVED IN SALEM for 24 years will guide our walk to the Riverfront Park, Union Street Railroad Pedestrian and Bicycle Bridge, the new Peter Courtney Minto Island Bridge, Oregon Capitol grounds with blooming cherry trees (we hope), a guided tour up to the Golden Pioneer at 10:00, the House Chamber, Halle Ford Museum, buildings, sculptures, and gardens on the way to Willamette University and the Deepwood Museum & Gardens, the Bush Barn Art Center, the Salem Convention Center, and the historic Ladd and Bush Bank. Sign up online to read more details and about car pooling. Be prepared to be on your feet for most of the exploration. Jim has a special place in mind for lunch.
