Obsidian Covid-19 Statement

As Obsidians, we value the safety of our participants and of our communities. We will continue to follow Federal, State and local health requirements for Covid-19. With the changes in the State indoor mask policy, starting March 12, 2022, masks are not required for indoor activities at the Lodge. However, we reserve the option for additional requirements based on the specific activity. The sponsoring Committee is responsible for communicating any additional requirements to the participants. Ultimately, individuals need to assess their own personal risk and protect themselves accordingly when deciding to participate in Obsidian events; we cannot guarantee a Covid-19 free environment. Please take the proper precautions and use your best judgment to protect yourself and others against COVID-19.

Maryanne Reiter

President, Obsidian Board of Directors
